Powertek Corporation Named Treasury's Mentor-Protégé Firm of the Year

Powertek is excited to announce that it was named Treasury's Mentor-Protégé Firm of the Year in 2006. The Treasury Mentor-Protégé Program is designed to motivate and encourage firms to assist small businesses. The goals of this program are to improve the performance of Treasury contracts, foster the establishment of long-term business relationships, increase the overall number of small businesses that receive Treasury contracts, expand the base of qualified small businesses, and achieve a potential increase in small business program goal accomplishments.

Powertek is excited to receive this prestigious award and is anxious to expand our contract base within the Department of Treasury. Powertek wishes to thank the Treasury Mentor-Protégé program officials for having this program that provides small businesses with greater opportunities within Treasury.

About Powertek

Powertek provides a broad range of services in operations, information technology, business engineering and program management to governments and agencies to improve performance, reduce costs, minimize risks, and introduce enterprise efficiencies. They provide innovative systems and solutions in information and services and maximize the power of technology to deliver cost effective and targeted results.
